Interoffice Communication

To ALL VCM PLANT EMPLOYEES

From C. E. Gremillion

Date June 10, 1974

Subject VCM Air Sampling

Continuation of the VCM Air Sampling using the Personal Monitoring Devices will resume. The schedule for June 10-28, 1974 is attached.

The schedule has been prepared with the name of the employee in addition to his occupation. Each employee should review the schedule and report to the lab to wear the personnel monitors on the date, time and shift assigned. You will not be contacted.

The same procedures specified in the earlier personnel monitor wearing instructions shall still apply.

Please direct any questions or comments to the undersigned.

A handwritten signature in cursive script that reads "Earl Gremillion".

C. E. Gremillion
Safety Director
