Dear Doctor:

We have just received notification that Referee Nye has rendered a decision in our favor in the case of [REDACTED], deceased, upon the ground that no causal relation has been established.

We want to thank you very kindly for your cooperation as well as that of the Ethyl Gasoline Corporation, and feel confident that this result would not have been accomplished without your assistance.

Again thanking you for your kindness, I remain

Very truly yours,

T.E. BRESNAN,
