

LEAD INDUSTRIES ASSOCIATION

480 LEXINGTON AVENUE

NEW YORK 17, N. Y.

December 17, 1952

SUBJECT: DOMESTIC MINE, SMELTER AND
REFINERY LABOR DATA
(1950-1951)

To Those Receiving Domestic Mine,
Smelter and Refinery Labor Data:

An important segment of the industry feels that the clerical burden of gathering the information for the subject reports outweighs the value that can be derived from them now that lead and zinc production is being curtailed. Consequently, these series of reports have been terminated with the October, 1952 reports.

Very truly yours,

Robert L. Ziegler
Secretary.
