Ref: #19742-USA-LEAD TEST

August 25, 1971

Dr. J. F. Cole
Director, Environmental Health
Lead Industries Association, Inc.
292 Madison Ave.
New York, N. Y. 10017

Dear Dr. Cole:

Before I close the above problem, I would like to find out if *see a d*
you expect to hear from those you wrote on the mercury subject.
I can wait awhile if you think it advisable, or if you wish to
hurry their answers.

Sincerely yours,

A.C. Titus
