On Paints, Varnishes and ODP Lead—sixty days net; 2% for cash within ten days from date of invoice.

On Turpentine, Linseed Oil, Dry Colors, Insecticide Material, and goods not of our own manufacture—thirty days net; 1% for cash within ten days from date of invoice.

IMPORTANT

Shortages or errors in billing must be reported within ten days from receipt of shipment to secure proper adjustment.

In making all shipments our responsibility ceases when we receive a signed bill of lading from the transportation company. Claims for losses and damage in transit must be filed with the transportation company by our customers. If shipments are received in a damaged condition, or short in the number of packages, be sure to have the freight agent make such notation on the paid expense bill. This will enable you to file and collect claim without affidavit.
