Dear Scott,

Thank you! Your contribution to the Council for National Policy (CNP) meeting was both warmly received and very helpful.

The donors and activists who gather as members of the Council have a significant impact on the public policy of our nation. These thrice yearly events are critical not only to their efforts but also the broader conservative cause. Your generosity in contributing your insights and expertise made this occasion possible, and we can assure you was greatly appreciated by the Executive Committee and the entire membership.

We look forward to the opportunity to return your kindness if we can ever be of service.

Our cause and CNP were empowered by your presentation.

For that we say thank you,

Tony Perkins  
President

Bob McEwen  
Executive Director
