FOR GENERAL RELEASE

NEW U.S.G. HANDYMAN KIT FINISHES DRYWALL PANEL JOINTS

The DURABOND® Wallboard Kit from the United States Gypsum Company provides all the materials the family handyman needs to finish drywall panel joints. Part of U.S.G.'s DURABOND line of retail adhesives, the kit will treat approximately five gypsum panels or 150 sq. ft.

This kit contains a 12 lb. can of READYMIX wallboard compound, a 60-ft. roll of 2 1/16-in. reinforcing tape, a wide-blade applicator and illustrated instructions. It can be used for texturing and patching as well as finishing the joints of interior panels. The DURABOND Wallboard Kit comes in a strong corrugated container with a carry-out handle.

For more information write United States Gypsum Company, Dept. 160, 101 South Wacker Drive, Chicago, Ill. 60606.
