Mr. William L. Mann  
Manager, Environmental Dept.  
NL Industries  
111 Broadway  
New York, New York 10006

Dear Bill:

I have just received a follow-up letter from the Volunteers for International Technical Assistance (VITA) on their request for technical information regarding a lead in paint technique.

I wrote to you on June 18 regarding this and wonder if you have been able to come up with any information as yet.

Sincerely,

J. F. Cole, Sc. D.  
Director, Environmental Health
