Headed to BP and am sure they will ask. If it doesn't work I will condition them it doesn't work. If still possible I will tell them to hold on. No worries either way.

Those days are over. Actually just got back from Charleston SC which was a great break for a week.

I'm happy to look at it.

Holy moly! I thought you would be sipping a Colada with your mirrored sunglasses on. Taking in sights. You put us all to shame sitting at your desk. I will forward you something to take a look. Not sure you can help and understand but told someone I would reach out.

Believe it or not, I have not asked Ryan for anything. I need to ask him a question and don't have his email address.

How do you reach the old man by email these days?

I hope this message finds you on a beach somewhere.
