Good Morning Preston,

I just wanted to check-in to confirm the call fro 2:15 pm between Governor Sununu and Secretary Pruitt.

May I have a phone number for the Governor to call?

Thank you!

Jane

Subject: Call with Governor Sununu on PFAS/PFOA

Hi Paul and Jane,

I wanted to let you and Governor Sununu know that the EPA is planning to host a “National Dialogue” in Washington this spring to address PFAS issues with various stakeholders. This will serve as an opportunity to engage with states and develop effective strategies for managing contaminants in drinking water and at federal facilities. The dialogue will inform a forthcoming PFAS/PFOA Management Plan that the Agency will release later this year.

We are doing a press release to announce the initiative today, and Administrator Pruitt would like to speak personally with the Governor sometime tomorrow regarding efforts in Merrimack and North Hampton.

Would 2:15 PM suit?

Thanks,

Preston Cory
