Good morning! I know you probably had a lot going on yesterday, but wanted to remind you to review the email below Ted Budd's office and attached letter.

Subject: Pruitt Meeting

Chris,

This is Tyler Haymore from Budd's Office. Have you heard back from anyone in Burr or Tillis's Office about a letter? If not, I have taken a crack at a first draft of one to EPA Director Pruitt. It

is attached. Please edit as you see fit, once agreed to, I'll send to Burr/Tillis to see if they will sign and we can make sure it gets on Pruitt's desk.

Can you also send me the email for the person you have been working with within EPA on this front? I will also forward the letter to Robin Richardson at OCIR.

Thanks,
