Hi Layne,

Just wanted to make sure you're still planning on meeting with us tomorrow at your office and then dinner at the Trump hotel after. I'm not sure if you already had it covered so just in case, I made dinner reservations at 5:30 there. Will that work?

Looking forward to catching up with you,

We're in a meeting until 4 and we'll come directly to EPA from there so it will probably be around 4:15-4:30 before we get there.

Hope we can find a time to meet. Would be great to catch up with you!
