Mr. C. L. Payne
Pittsburgh Plate Glass Company
Chemical Division
P. O. Box 1000
Lake Charles, Louisiana

Dear Mr. Payne:

I understand that you are now using Plaid Stamps in safety as an incentive. Would you be kind enough to let me know how long you have been using these stamps, how you give them away and the results that you may contribute to the plan.

Yours very truly,

D. D. Patterson
Safety Supervisor
