Scott,

Thank you very much for meeting with the Sacramento River Settlement Contractors yesterday...they felt very positive about the meeting and your involvement in their issues. I had a question who from the Administration is sitting in the Fish and Wildlife (or ASFWP) hallway? I have a client (Family Farm Alliance President Pat O'Toole you may remember him) who is in DC today and I think it would be very helpful for the Administration to arrange a meeting with Pat to share his views on fisheries and habitat restoration/conservation he is a big proponent of the Partners in Fish and Wildlife program at FWS and is a progressive on-the-ground rancher in Wyoming (very close to Sen. Barrasso) who is actively involved in multi-use of private and public lands for ranching and the environment. Please let me know a name and contact info so I can forward to Pat.

Thanks again...see you soon.

Mark
