Re: "Asbestosine"

Dear Mr. Kohr:

Thank you for your letter of
September 10th in which you let me know
you will try to get the information
that I requested on the above substance.

Since you admit there may be
some difficulty in getting a complete
answer, it will be to our advantage
to have you send us a few pans from
various batches of your asbestosine so
that we could study the compound ourselves.

Very truly yours,

W.H.M.
