SUBJECT INDUSTRIAL HYGIENE & SAFETY TRAINING VIDEOS

Occupational Health & Safety maintains a video library of Industrial Hygiene and Safety related subjects. These videos, and video players, are available for issue through Karen or Shannon. Attached is a listing of titles for your training needs.

Several videos are missing from our cabinet and will be reordered if they can not be located and returned. About \$4,000 worth. The average cost of these videos is \$450.00 each, so if anyone can remember seeing any of these laying around, please notify our department, Ext. 8572, or send them back to my attention through our mail. Your help is greatly appreciated.
