Mr. H. O. Bates, Secretary,
National Lead Company,
New York, N. Y.

Dear Mr. Bates:

At our Directors' meeting, held yesterday, March 22, it was the unanimous opinion that our minutes of March 15, be enlarged upon. I am therefore attaching herewith another page, which I have been asked to submit to you in place of that which you now have covering our meeting of March 15.

Yours very truly,

A. M. Wilson, Vice President.
