RE: MONSANTO CONTRACT SWR-630

Dear Wes:

Please sign both copies of attached Exhibit "A" to Monsanto Contract SWR-630. Return the original to me as soon as possible.

As we discussed today, the discrepancies on several items were changed back to the previous contract prices. The last page was changed to reflect correct prices for Fiberglas 90° elbows and Kaylo 90° elbows. Please initial accordingly.

Thanks for your cooperation in updating the agreement. If you have any questions, please call.

Sincerely,

Phil Hanson
