

The white charges that Titos, on July 2, while driving from Hayward to Niles, ran down C. M. Welch, who was walking on the highway. He stopped his machine and returned to the scene of the accident, where he stood for a few moments. He then returned to his machine and started down the highway. It is charged that the driver of another machine gave chase and overtook Titos when he attempted to turn into the Harder road, where he crashed into a fence.

Following the accident Titos made a statement in which he claimed that he was attempting to turn around at the Harder road and that he intended to drive back to the scene of the accident to take the injured man to the hospital. Welch is still under the care of physicians, confined to the hospital and unable to be a witness at the trial. It was announced today by Deputy District Attorney Frank Mitchell, who is prosecuting the case, Attorney Jack Collier is defending Titos.

Sure Way to Get Rid of Blackheads

There is one simple, safe and sure way that never fails to get rid of blackheads, that is to dissolve them. To do this get two ounces of calomel powder from any drug store—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear. Blackheads are a mixture of dust and dirt and secretions that form in the pores of the skin. The calomel powder and the water dissolve the blackheads so they wash right out leaving the pores free and clean and in their natural condition.—Advertisement.

Flavor you'll like

THE flavor of Folger's Golden Gate Coffee is well worth keeping. That's why it is packed for you in a vacuum tin.

What's more, it is a flavor you will like—"different in taste from other coffee and better." The experience of 72 years has made that a fact. Tell your grocer you want it.

Which Paint Costs Less? Good Paint, of Course!

What do you expect paint to do?
Cover well! Look well! Last for years!
In other words, thoroughly PROTECT and BEAUTIFY YOUR HOME!
PURE PAINT will do it.
Cheap adulterated paint will not.
Money spent for applying cheap paint is wasted.
You can't do good work with cheap paint.
Perfect paint is worth the price.
Because it is made from Pioneer White Lead (chemically pure), Pure Zinc and Pure Linseed Oil, perfectly mixed in correct proportions.
