Re: General Electric adv. Nevada Power
Our File No. 5025

Dear Mr. Jones:

In your most recent Responses to Request to Produce Documents to each of the Defendants, you indicate that there are certain documents available for inspection and copying at the offices of Nevada Power located at 6266 West Sahara Avenue, Las Vegas, Nevada 89151. Specifically, this was your response to General Electric's Requests 5, 6, 11 and 12; Westinghouse's Requests 5, 6, 11 and 12; and Monsanto's Requests 5, 6 and 8.

Attorneys for the Defendants are available for the morning of June 2, 3 or 9, 1992 to make the inspection noted above. Please advise immediately as to which of these dates are the most convenient for you and

your client, and please advise of the expected quantity of documents that will be made available.

Very truly yours,

ALVERSON, TAYLOR,
MORTENSEN & NELSON

David R. Clayson, Esq.
