THE COURT: Thank you.

Mr. McGowan, any recross?

MR. McGOWAN: Yes, briefly, Your Honor.

THE COURT: Please.

RECROSS-EXAMINATION

BY MR. McGOWAN:

Q Going back to the Monokote, you said it was mixed on the floor where you were working?

A Yes, it could be mixed on the floor at different stages. If the job was a big job, it was mixed outside and pumped in.

Q But in this particular case it was mixed where you were all working?

A In this particular case.

Q When they dumped the bag in, it was dry, wasn't it?

A Yes.

Q And a cloud of dust would be created when they dumped it in?

MR. DOUB: I object.

THE COURT: Overruled.
