Boiler
makers
and
Consulting
engineers*

Water Columns and Gages are basic
equipment you must add to your
boiler when installed, or order with it
from your boiler maker. Reliance offers
you the most complete service in ap-
proved devices for water level super-
vision—always in tune with latest de-

velopments and techniques in power
production. Known the world over for
accuracy, sturdiness and dependability,
there's a Reliance Water Column for
every type of boiler—any pressure—
and gage equipment for every water
level checking need:

Representatives in all principal cities, or write
the factory for catalogs and information.
