SAMANTHA, CAN YOU HELP ME ON THIS PLEASE. HE IS SCOTT'S KIND OF GUY.
JUST LET ME KNOW WITH WHOM I SHOULD CONTACT PLEASE.

THANKS AND CONGRATS TO YOU

BILL

Dear Scott,

A friend of mine named Jerry Jung, a strong Republican, philanthropist and conservationist and a great supporter of mine is in DC from March 21-24. He was the former head of Michigan Caterpillar. Great guy. I have mentioned his name to you, but it was in the middle of your confirmation hearing and all the hullabaloo.

Is there a chance he could meet with you during his time in DC for 20 minutes? He understands time constraints.

If so, who should he contact? If this does not work out during the March 21-24 time period, could he work with your office in scheduling a time in the near future please?

Just let me know. I wont over ask, but everyone from the Michigan Farm Bureau to the Michigan Oil and Gas Association sure have you at the top of their respective agendas.

Thank you for your consideration.

All the Best,

Bill
