Re: NGL Water Solutions Permian, LLC, Permian Basin Facilities in Texas;
Administrative Compliance Order on Consent, Docket No. CAA-06-2021-3375.

Dear Mr. Kim:

On September 28, 2021, NGL Water Solutions Permian, LLC (“NGL”) entered into an Administrative Compliance Order on Consent (“AOC”), Docket No. CAA-06-2021-3375, with the United States Environmental Protection Agency (“EPA”) to resolve certain alleged violations of the Texas Administrative Code, which had been adopted into the Texas State Implementation Plan. Pursuant to the AOC, NGL agreed to specific requirements as outlined in paragraph 25 to be completed within ninety (90) days of the AOC Effective Date (*i.e.*, no later than December 28, 2022).

EPA has received and reviewed your December 22, 2021, final letter report, required under AOC paragraph 25.c., of all work completed under the AOC. EPA hereby confirms that you have completed all requirements under the AOC satisfactorily. Should you have any questions regarding close-out of this AOC, please contact Aimee Boss at boss.aimee@epa.gov or (214) 665-7397.

Sincerely,

Darrin Larson
Chief
Air Enforcement Permitting Section
