Richard,

Thank you so much for following up on this. I am copying Hayley Ford on this email as she is assisting us with the scheduling of the Administrator's calendar.

Warm regards,

Hi Millan,

It was great speaking with you earlier today. As we discussed, attached is an invitation from Dan Yergin for Scott Pruitt to speak at CERAWeek 2018, scheduled March 5-9, 2018 in Houston. I believe that Dan has already invited Administrator Pruitt to speak. The best days would be either Wednesday or Thursday, March 7 or 8. That said, we could accommodate almost any day that week. The format of his address would be the same as CERAWeek 2017.

We are excited at the prospect of Administrator Pruitt's participation at CERAWeek 2018. Thank you for the consideration. Please let us know if you need anything further at this point.

Kind regards,

Richard
