Dear Dr. Fingerhut:

This letter is a formal request under the federal Freedom of Information Act (5 U.S.C. 552) for copies of six letters that were reportedly sent to you by the Monsanto Company of St. Louis, Missouri on the following dates:

July 23, 1985
November 12, 1985
January 21, 1986
May 4, 1987
July 17, 1987
January 29, 1988

I am also seeking copies of any attachments or enclosures that may have accompanied these six letters. The six letters are referred to in a letter to you from Monsanto Corporation (signed by James J. Collins) dated June 1, 1990; I am attaching a copy of the Monsanto letter dated June 1, 1990, to help you identify the letters I am requesting copies of.

If you do not grant my request within 10 working days, I will deem my request denied. If you deny *any portion of my request*, please provide me *in writing* the reason(s) for the denial.

Thank you for your prompt attention to this matter.

Sincerely yours,

Peter Montague, Ph.D.
