RE:

v. Sherwin-Williams Company  
I.C. #: 89 WC 44136

REDACTED

Dear Mr. Baum:

Please be advised that I have taken over the further handling of this claim.

It is noted, after reviewing the file, that the widow has filed against twenty plus other principal employers. Please advise whether or not you have ever obtained the death certificate and marriage license for the deceased. Furthermore, is it known whether or not a third party action has been filed against anyone? We need this information as soon as possible to properly reserve our file and update.

Very truly yours,

SELF INSURERS SERVICE, INC.
