Dr. R.A. Kehoe
University of Cincinnati
Kettering Laboratory
of Applied Physiology
Eden Avenue
Cincinnati, Ohio

Dear Dr. Kehoe:

I wish to express my sincere appreciation for the time and thought which you spent in reply to our inquiry concerning lead absorption.

The information which you furnished will be helpful not only for our immediate problems but for many which I know will arise in the future.

If I can return the courtesy at any time, I hope you will not hesitate to get in touch with me.

Very truly yours,

Virginia Pearson
