I'm sorry for the late Friday email! I hope you are out enjoying a wonderful weekend.

Attached please find the completed invite form.

He did speak in 2023, and the attendees loved him! With his recent conversations with the NM Governor on LNG and NM announcements on geothermal, we would be so stoked to have him back. Thank you for your consideration.

Please let me know if you have any questions.

Please let me know if there is anything we can do to support you.

Thank you -

Hi Missi!

I hope you are doing well.

Thank you so much for the invitation and for reaching out, it is great to be connected.

I believe he has spoke at NMOGA before and really appreciated the invitation. I'm attaching a speaking request form if you wouldn't mind completing that and sending it back to Ruby and I.

We haven't quite confirmed our schedule for the fall but once we have that form I will make sure to get this in front of our team.

Thank you and talk soon.

Hi, Izzy -

Audrey Robertson was kind enough to provide your contact information. Thank you for the work you're doing!

We would be honored to host Secretary Wright at the New Mexico Oil & Gas Association Annual Meeting on Oct. 7-8, 2025 in Santa Fe, NM as a keynote speaker. He would speak on Oct. 8. The Secretary has attended NMOGA in recent years, and we'd love to hear his perspective from his new role.

We are also inviting Sec. Burgum, and we would love to have them both there together!

Attached please find an invitation with more information. I would be happy to work through a schedule with you to ensure that we can best accommodate the Secretary and the staff that may attend with him.

Thank you for your consideration! Please let me know if you have any questions.

Thank you -

Missi Currier, Ph.D.
