Mr. W.H. Furcolow
U.S. Dept. of Commerce
Bureau of Standards
Washington, D.C. 20234

As I promised, Mr. Furcolow,

enclosed is a flyer announcing the book THERMAL INSULATION, which is now available. This book has been more than three years in development and is considered to be the "bible" of the insulation industry.

Regarding your letter of May 14th, the members of this Association are not involved with wood fiber insulating board and as Mr. Gibbons has also informed you, I can see no reason for us to become a part of the Standing Committee that you mentioned.

Truthfully yours,

John C. Pollock
Executive Director
