DOCUMENT DESCRIPTION: Memo - Asbestos Evaluation - Kansas City Assembly Plant

Inter Office

Automotive Assembly Division
Kansas City Assembly Plant

February 25, 1980

To: S. Mingela

From: F. X. Scott

Subject: Asbestos Evaluation - Kansas City Assembly Plant

In response to your letter of January 16, 1980, the Kansas City Assembly Plant has potential employe exposures to asbestos throughout the entire plant at locations where asbestos insulated pipes are presently installed.

Sincerely yours,

F. X. Scott
Industrial Relations Manager
