

*"That's a good job—**who did it?**"*

THE owner will gladly answer this question. And he will tell others without being asked. He is proud of this paint job.

Make sure of a good paint job by using good paint. White-lead paint has been the stand-by of generations of painters—skilled professional painters who are known for high-class painting. All through the land these painters are building up solid reputations for dependable workmanship—with the aid of white-lead paint.

Dutch Boy white-lead is pure white-lead. For decades it has been the choice of the

best class of painters. These men have pinned their faith to Dutch Boy white-lead, and to their own ability in mixing and applying it. You can profit by the experience of these men who have reached the top of their profession.

Use Dutch Boy on every job. Dutch Boy makes any job a finer job.
