Communication number: RES-C-0000007227-73-01/F

Annex XV submission number: SPS-020017-21

Subject: Conformity check of Annex XV restriction dossier on Per- and polyfluoroalkyl substances (PFAS)

Dear Sir/Madam,

The European Chemicals Agency (ECHA) has received your Annex XV dossier proposing a restriction for **Per- and polyfluoroalkyl substances (PFAS)**, EC -, CAS -, in accordance with Article 69 of Regulation (EC) No 1907/2006.

In accordance with Article 69(4) of REACH, the Committees for Risk Assessment and Socio-economic Analysis have carried out a check of whether the dossier is in conformity with the requirements of Annex XV of the REACH Regulation. Both Committees came to the conclusion that your Annex XV dossier is in conformity.

Please find attached the conformity check report by the Committees. The recommendations by both Committees will follow in June 2023.

As a next step of the procedure, your Annex XV report will be placed on ECHA's website for third-party consultation according to Article 69(6) of REACH. ECHA recommends that during the consultation you take note of the comments received.

If you would need to seek clarification on any issue, please contact the ECHA Scientific Dossier Manager for this restriction proposal GMEINDER Michael ██████████@echa.europa.eu.

Please use the above-mentioned communication and submission numbers for any correspondence with ECHA on this issue.

Yours faithfully,

(e-signed)¹

BOWMER Tim
The Chair of the
Committee for Risk Assessment

(e-signed)

OTTATI Maria
The Chair of the
Committee for Socio-economic Analysis

¹ As this is an electronic document, it is not physically signed. This communication has been approved according to ECHA's internal decision-approval process.
