Subject: Follow-up from Meeting - USA Spend v NGGS

A few follow-ups . . .

1. What is the difference between award date and date signed in USA Spending? (i.e., rely on Action Date in USA Spend or Award Date in NGGS for understanding when T&Cs kick-in.)

‘Award Date’ in NGGS is represented as ‘Action Date’ in USA Spending. We are not required to use ‘Date Signed’ in USA Spending.

Award History
