**Subject:** Are you still updating epa.gov?

Hi Web Admin Team

I hope you're well.

Last week I sent an email to see if you'd be interested in taking a look at a guide I've written called '**Travelling with a Medical Condition**'. I was just wondering if you'd received it?

In case you missed it, you can find the guide here:

**Travelling with a Medical Condition**

<http://www.insurancewith.com/travelling-with-a-medical-condition/>

This guide offer helpful travel tips and information as well as showcases some of the common problems associated with travelling abroad whilst having a health condition.

I would love to get your feedback on how it can be improved and if you think it would be a good addition to: <https://www.epa.gov/enviroatlas/resources-potential-interest-enviroatlas-users>

I'm also planning on adding a chapter about 'Accessible Travel Tips' so let me know your thoughts.

Look forward to hearing from you!

Regards,
