

required to do certain things on the job to help us protect you
these are

1 You must do everything you can to prevent
getting asbestos fiber into the air
that could be inhaled

2 You must follow all rules about how to perform your job
that are followed at all times

3 In areas you may at times be required
to wear a respirator temporarily or other
special protective equipment. You
must wear this equipment properly whenever
it is necessary

4 You **will** be requested not to smoke on the job
if you might be exposed to asbestos. You will
be urged, for your health's sake, to quit
smoking completely

5 You **will** be encouraged to use facilities provided
to change work clothes and wash before going
home.

6 If equipment is not working correctly, you
must report it to your supervisor
immediately

So we can be sure

So we can be sure you have read this booklet and
the potential risks connected with your job and the
rules you must follow, we would like you to fill out the
bottom of this sheet the right and return it to us. This sheet must be
given to your foreman as soon as possible.
