SUBJECT: IMPAC Coordination Group Meeting

The next version refinery IMPAC Coordination Group Meeting is scheduled for Wednesday, July 29 at 11:00am in the Computer Services conference room. Please make plans to attend or send a representative from your area. IMPAC is continuing to evolve and everyone's input is necessary to insure that it is evolving in the right direction! Issues to be discussed include the following:

- 1) Modifications for the next release of IMPAC.
- 2) Plans to revitalize IMPAC training.
- 3) Status of plans for new computer platform for IMPAC.
- 4) Future IMPAC expansion and direction.

Again, your input is important, so please plan to attend!

Thank you.
