INTRA-COMPANY COMMUNICATION

SUBJECT Clutch Facings

DATE April 22, 1968

TO Marty Hermanns

Thank you for the courtesies that you extended to Bill Sheehan and myself on Friday, April 19, 1968. Taking time, as you did, to explain the situation regarding clutch facings has given us some basic information for further consideration of this item as a new product.

We wish to further thank you for the speedy transmittal of the clutch facing data sheets. We received them today, in time for our report. Your response and Howard Sink's efforts are very much appreciated.

We hope that we can return the favor to you soon. Indeed, if you're in Chicago, we hope that you'll take time to visit us at a Victor and see our operations.
