Mr. Maurice F. Crass, Jr.  
Manufacturing Chemists' Association, Inc.  
1825 Connecticut Avenue, N. W.  
Washington, D. C. 20009

Dear Maurice:

Enclosed is Joe Becker's letter of resignation from the MCA Food, Drug & Cosmetic Committee.

This resignation is occasioned by the fact that Joe's present assignments here are quite far afield from the affairs of the Committee.

Of course, his resignation does not reflect a lessened interest on our part in the Committee's work. On the contrary, if it meets with your approval and the approval of General Decker and the Board of Directors, we would very much like to have Mr. Bruce T. McMillan, Director of Planning for our Plastics Division, whose technical background and experience with FDA matters may be of special value to the Committee, replace Mr. Becker.

Sincerely yours,
