Hey Harris,

I work for Secretary Duffy in his Governmental Affairs office—just wanted to see if you might be around for a quick coffee this week. Thinking maybe Wednesday, if that works on your end. Would be great to connect.

Hey Nate,

Would love to find some time to connect and talk all things DOT, and also hear more about what you all have going on. Is there a time next week that works well for you?

Hi Meg,

I hope you're doing well. I wanted to touch base before our bosses speak to see if you have any insight into the topics your boss plans to address. I understand the initial request was focused on the auto industry and its impact on the district.

If it's easier, I'm happy to hop on a quick call. Feel free to reach out to me at (b)(6)

Thanks,
