INCORPORATED

FABRICS & FINISHES DEPARTMENT

TUCKER

Tucker, Georgia
December 2, 1966

C. A. D'ALONZO, M. D.
MEDICAL DIVISION
WILMINGTON, DELAWARE

In answer to your correspondence relative to employee exposure to asbestos and its sequelae, I am informed that there are no personnel in the Tucker Plant engaged in insulating either part time or full time, and insulating materials are not otherwise handled. There have been no instances of asbestosis or mesothelioma among plant personnel.

F. S. BAKER, PLANT MANAGER
