bombers were shot down and one
damaged in a raid on that port.
Largess of \$2000 was reported to
have been distributed to the pilots of
the Chinese pursuit planes by Gen.
Yu Han-Mou, pacification commis-
sioner of Kwantung province.

The British steamer Fooshing was
reported to have been halted and
boarded by a Japanese blockade pa-
trol off Amoy yesterday. After a
short delay and examination of her
papers the British vessel was said to
have been allowed to continue her
voyage to Japan.

The barricades were compared
with those across the Whangpoo
River at Shanghai and at Shinkiang
and Silver Island, in the Yangtze
River, where an American gunboat
fleet is trapped.

COULDN'T EAT SOLID FOOD WITHOUT GAS & AWFUL ACID STOMACH PAINS

Are you afraid to eat—fearing agonizing
attacks of acid stomach pain? Over 200,000
acid stomach sufferers have written letters
praising Currier's Tablets fast relief of
acid pain. Here is one letter from a promi-
nent Los Angeles
lady, Mrs. M. Bry-
ant, living at the
Del Mar Hotel. She
says: "I went
through awful mis-
ery with an acid
stomach, so that I
was almost afraid
to eat. Choking gas

about what I like, thanks to Currier's!"

Must Satisfy—or Money Back!

Sufferers from acid stomach pains are
invited to make this no-risk test. Ask
druggist for 33-day treatment of Currier's
Tablets on Money-Back Guarantee. Use for
15 days—unless you're delighted with re-
sults, return half-filled bottle to druggist
and get back every cent! Currier's works
three ways in your stomach—neutralizing
excess burning acid—coating sore, inflamed
ulcers and stomach lining with protective
film against churning, scratching food—
helping to relieve painful gas pressure.
