Great seeing you also, Samantha, and thanks for your gracious note. I look forward to continued engagement and do let me know if there are near-term items you would like me to follow up on from our discussion today. In particular, I would welcome hearing more about the sector strategies group process you mentioned and potential avenues for input or participation.

Thanks again and all the best,
Bob

Bob,

Great seeing you. Thank you for coming by to see us! Look forward to being in touch soon.

Best,

Samantha
