Dear Mr. Muniz:

Subject: Asbestosis Claims

If your company is going to be involved in a test hearing to determine responsibility for workmen's compensation benefits to a former employee who has contracted asbestosis, the Richmond Office of the Aetna Casualty and Surety Company should be informed so it can be present at the hearing to fully protect your interests. Perhaps this has already been done.

We have no information on any other asbestosis claims from other areas which would have a bearing on this particular case. We would, however, like to be kept informed of the progress of this test case in the event we can be of some service to you in connection with it.

Very truly yours,

Wallace B. Hofferth
Insurance Manager
