Hi Sydney!

I wanted to send you along an updated attendance list for our meeting with Administrator Pruitt at 3:30 on May 9th. We do have some flexibility on how many people attend the meeting (we can cut all the non-essential Toy Association staff if necessary) so do let me know if you can accommodate a group this large. Feel free to call me if it's easier to discuss logistics over the phone.

We're very much looking forward to our meeting! Thanks again for helping facilitate.

Best,

Autumn

Actually we were successful in moving our other meeting so if the 3:30pm spot is still available, we'll take it! Let me know if that still works for the administrator.

Thanks so much,

Autumn

Darn! That's okay though! How much flexibility do you all have on the morning of the 10th?

Oh this is such great news!

One small wrinkle...we had someone else (literally just 15 minutes ago) accept the 3:30pm time slot. Is there any way possible that Administrator Pruitt could come meet with us at 4:30pm at the Grand Hyatt OR we could come meet him in his office at 5:00pm at the EPA? If neither of these times work, please let me know and we will do our best to move the other meeting.

Thanks again and happy to chat on the phone if that's easier.

Best,

Autumn

Sydney,

Please find the attached completed meeting request form. We have some flexibility in scheduling for May 9th and 10th so if none of the times suggested work for the Administrator, let me know and hopefully we can find a time that will better suit his schedule. I've also attached a list of anticipated meeting participants. Don't hesitate to call me if you have any questions.

Thanks again for considering our request.

Best,

Autumn
