Manville

February 27, 1945

R. Manville, 8-6 E Manville

WPB authorization of Form CA-1456 dated February 16, 1945 was received to begin construction. Also the assignment of Allotment Symbol P-6, preference rating AA-3, and Serial Number P-6-7777 for the purchase of approved materials, machinery and equipment required to complete the following project: Alter Dust System at the Mixing Tanks and the Band Saws. Install New Dust System at the Blake Bosses in the Magnesia Department

This approval was granted by WPB subject to the following conditions:

1. The total cost of the entire project shall not exceed the sum of $4,810. (0). Combining (2) exhausters on hand.
2. Project must be completed by August 16, 1945.
3. Unless construction is started or initial equipment is installed within 60 days after the issuance date of this authorization, the authorization to construct or acquire facilities and the right to use the allotment symbol and preference rating is automatically revoked. Approval of the War Production Board must be secured for extension of time or reinstatement of the authorization.
4. The WPB in issuing this authorization relied on the statements and representations made by JM in the application. Failure to abide by these statements and representations constitutes a violation of this authorization and grounds for its immediate cancellation. In addition, failure of JM to abide by any of the conditions imposed in this authorization also constitutes grounds for its immediate cancellation.
5. No materials or equipment may be acquired under this authorization or incorporated in the project except as permitted under the provisions of Direction 1 to CMP Regulation 6 and Schedule A CMP Regulation 6, and to other applicable WPB Orders and Regulations. Deviation from such limitations is permitted only if specifically authorized below.
6. The following deviations from the construction limitations and from the restrictions imposed by CMP Regulation 6 are permitted:

   Sheet metal as required for hoods, pipes and duct work.
