

PAINTS and VARNISHES

Save Housework

LINOLEUM finished with a coat of **VERSATILE SPAR VARNISH** is so much easier to clean!

Dirt and stains cannot penetrate the pores, and surface spots are readily wiped away with a light mopping. Besides, your linoleum looks better and is preserved from wear, by a coat of Versatile Spar.

Old printed linoleum, from which the pattern is worn, can be made attractive and will give continued service, when painted with **OVERNITE FLOOR ENAMEL**.

There's a B-H Product for every painting and varnishing job. We shall be glad to advise you which one best suits your need. For expert painting, we recommend **B-H Pure Prepared Paint**.

PIMPLES AND BLACKHEADS

Bothered Nearly a Year. Cuticura Heals

"My trouble started with black heads which gradually developed into pimples. The pimples were very hard and festering. They were very unsightly and often painful causing me much worry and annoyance as I was going to school. I was bothered with the pimples for nearly a year.

"I tried two or three remedies without success. I began using Cuticura Soap and Ointment as they afforded almost immediate relief. I continued using them an inside of a month I was completely healed." (Signed) Richard Burke, Pullman, Oregon.

Use Cuticura to clear your skin.
