

James Grech
President and Chief Executive Officer
Peabody

James (Jim) Grech has over thirty years of experience in the coal and natural resources industry. He joined the company in June 2021 as President and Chief Executive Officer and member of the company's board of directors and the Executive Committee of the board.

Mr. Grech has held executive leadership roles throughout his career, most recently he served as Chief Executive Officer of Wolverine Fuels from 2018 to 2021. Other positions held include President of Nexus Gas Transmission, Chief Commercial Officer and Executive Vice President of CONSOL Energy and Vice President at DTE Energy.

Mr. Grech is a board member of America's Power, the National Mining Association and Blue Danube Incorporated and is a member of the Coal Industry Advisory Board of the International Energy Agency. He is an appointed member on the Surface Transportation Board (STB) Rail Energy Transportation Advisory Committee (RETAC).

Mr. Grech holds a master's degree in business administration from the University of Michigan and a bachelor's degree in electrical engineering from Lawrence Technological University. He also completed the executive development program of the Wharton Business School.
