5 THE COURT: All right.

6 REDIRECT EXAMINATION

7 BY MR. MCGOWAN:

8 Q Doctor, lung cancer isn't mesothelioma, is
9 it?

10 A No. They are two separate tumors.

11 Q You talked about this Dr. Hueper fellow back
12 in the 1950s?

13 A Yes.

14 Q You were starting to explain something about
15 how he didn't believe that cigarettes caused lung
16 cancer?

17 A That is correct. That is what he wrote in
18 his publications.

19 When he said asbestos did, he also said that
20 he felt cigarettes had no relationship to lung
21 cancer.
