the line?

A Well, it wasn't -- that wasn't addressed, wasn't discussed. They didn't bring it up. We didn't discuss that.

MR. IGNATOWSKI: I think that is all I have. Thank you.

THE COURT: Thank you, Mr. Ignatowski.

Mr. McGowan, any recross?

MR. McGOWAN: Briefly, Your Honor, two minutes.

THE COURT: Okay.

RECROSS-EXAMINATION

BY MR. McGOWAN:

Q Doctor, I didn't mean to suggest that smoking causes mesothelioma.

When we are talking about diseases in general, am I correct that Dr. Selikoff, when he studied these insulators who had the increased risk of lung cancer, also found that about 89 to 90 percent of them were cigarette smokers?

MR. IGNATOWSKI: Objection.
